REFERENCE : Memorandum from Executive Officer, ODP, dated
12 May 1981, ODP #81-617, Same Subject

[REDACTED]

1. The response to the referenced request for a short
description of our briefings follows: [REDACTED]

25X1

We discussed with Messrs. [REDACTED]
the management and use of and the justification for ADP
in NFAC. They seemed particularly interested in word
processing and the publications cycle in NFAC. We
discussed it at length and provided them with commercial
brochures for the NBI 3000 and several other word
processing devices. [REDACTED]

2. Messrs. [REDACTED] told me that the
briefings were very useful to them, as they subsequently told
you. If you want additional information, please call me on
extension [REDACTED]
